Vaccination status (of the Milking Herd)

Is your herd vaccinated for any of the following? (please tick YES or NO) This information is important to select your sample for the correct test type.	BVD		IBR		LEPTO		SALMONELLA	
	YES	NO	YES	NO	YES	NO	YES	NO

I agree that the relevant fee be deducted from my milk account. I give permission for my results to be reported to my nominated Veterinary Practitioner and ICBF. The disease screening programme may be amended by GI from time to time. I acknowledge that responsibility for disease control in my herd rests with me and that neither GI or any associated companies shall be liable to me by reason of any representation or implied warranty, condition or other term or any duty at common law or under statute for any loss of business, contracts, profits or revenue or for any consequential, special or indirect loss or damage arising out of or in connection with any act or omission of GI relating to the provision of the Herd Disease Screening Service.

Follow-up consultation consent

I consent to Glanbia Ireland sharing my personal data and herd disease screening results with its partner organisation Co-Op Animal Health ("CAHL") for the purpose of a follow-up consultation to confirm my herd's vaccination status and further explanation of the test results. You can withdraw or change your consent at any time by contacting Glanbia Ireland at agridp@glanbia.ie or writing to Data Enquiry, Glanbia Ireland DAC, Kilkenny Business Park, Purcellsinch, Kilkenny, R95 E70V, Ireland. I am at least 18 years old and have the right to contract in my own name. I have read the above consent and fully understand the contents thereof.
